GORMAN ENTERPRISES/GLAVAL BUS

The Glaval is a quiet, comfortable, durable glvanized steel frame ride for shuttle services, transit routes, or tour and coach operations. With a full range of floor plans for up to 28 passengers, the Glaval is versatile, economical and flexible to suit a wide variety of applications in your fleet. If ADA equipment is required, a wide range of wheelchair lifts, tie-down restraints and floor plans are also available. Built with a powerful 6.7L V-8 Diesel engine and rugged TorqShift transmission, this model delivers durability and strength. Meets 2010 emission requirements. When the application calls for quality, customization and reliability, Glaval delivers! 5 YEAR, 100,00 MILE LIMITED WARRANTY
