

# GLAVAL COMMUTE

## Catch the Commute with Glaval Bus

Experience better fuel mileage than ever before with the Commute built on the Ford Transit chassis. Available in diesel and gas engines, this narrow-body powerhouse will fit into any fleet with ease. The Commute offers a sleek, narrow profile that can still fit up to five wheelchair positions. Check out the multiple floorplans and numerous

upgrade options available to make your Commute unique.

When looking for the economical choice without option and comfort shortcomings, the Commute delivers every time. Let Glaval introduce you to the stylish and affordable narrow-body Commute.
