

# GLAVAL LEGACY

## Leading the Competition with the Legacy

The Legacy is sure to impress with stylish beauty, outstanding ride quality and rugged durability. Built on the heavy-duty Freightliner S2C chassis with a Cummins 6.7L diesel engine, the Legacy gives you the ability to deliver the performance you expect when you need it most.

Glaval prides itself with the quality fit and finish of "Steel-Safe" construction, while protecting passengers in strength and comfort. The result is a vehicle that compliments the reputation and image of its owner and operator.
