

FORD TRANSIT MFSAB

UP TO 16 PASSENGERS SRW • UP TO 25* PASSENGERS DRW

* Varies based on state and option selected.

The Collins Ford Transit MFSAB models comply with school bus Federal Motor Vehicle Safety Standards (FMVSS) relative to construction, vehicle crash integrity, occupant seating crash protection, and driver visibility. Best of all, the MFSABs meet all National Transportation Safety Board highway safety requirements. And their narrow-body design offers easy vehicle maneuverability.

Because now, the best is better.

- Industry's largest view-out window reduces blind-spots and enhances visibility
- Innovative structural design provides unparalleled safety and features a one-piece tubular roof bow design
- Collins exclusive external storage compartment
- 5-Year body warranty and limited lifetime paint warranty
- Innovative electrical system offers easy-to-access service points
- Altoona tested simulating seven-years and 200,000 miles of wear
- Structural cross-members integrate at OEM mount locations with state-of-the-art isolation pucks
